Dear Commissioner Warren and Mr. Baker:

The Division of Workforce Development received your approval of a Plan Modification on November 8, 2017. This proposed modification pertains to your programs and fund allocations under the Workforce Innovation and Opportunity Act.

Your Board provided justification for the proposal to move funding from the Dislocated Worker Program allocation to the Adult Program allocation. My staff have reviewed the proposal and recommend approval.

We are pleased to inform you that as of the date of this letter, your Plan Modification is hereby approved.

Thank you for your continued leadership in the provision of WIOA services in the Southwest region.

Sincerely,
