

WIB of SWMO Faith or Community Based Outreach Policy

The Workforce Investment Board of Southwest Missouri is committed to increasing access and participation in WIOA Title I funded activities by Faith or Community based organizations. Outreach is usually conducted by WIB sponsored informational presentations to Faith or Community based organizations. Organizations are invited to participate in activities at either the Job Center or in WIB standing committees. The two standing committee are “Regional Workforce Partners” and “Business Roundtable.” Committee meetings are open to the public. Also see the WIB of SWMO Outreach and Recruitment plan (3-27-15)
