Introduction & Background

The Workforce Investment Board of Southwest Missouri (WIB) is seeking proposals from local training providers to provide **one to two months of introductory to intermediate information technology training this June and/or July for up to ten WIOA jobseeker customers**, and is accepting proposals in order to find a qualified source to provide said training. Preference will be given to vendors who include the provision of a industry-recognized credential (i.e., Comptia, Cisco, etc) within their proposals. The WIB is requesting assistance from the successful vendor with regard to the identification of other potential training elements that might be of value to jobseekers seeking employment in related occupations.

The objective of this Request for Proposal is to locate a source that will provide the best overall value to the WIB. While price is a significant factor, other criteria will form the basis of our award decision, as described in the Evaluation Factors section of this Request for Proposal below. Proposals must be received prior to 04/12/19 to be considered.

RFP & Project Timelines

The Request for Proposal timeline is as follows:

Request for Proposal Issuance	01/03/19
Submission Deadline	04/12/19
Selection of Top Bidders / Start of Negotiation	04/19/19
Contract Award / Notification to Unsuccessful Bidders	04/26/19

Subject to change

Evaluation Factors

- Relevant experience
- Training location flexibility
- Technical expertise
- Cost

The WIB reserves the right to award to the bidder that presents the best value, as determined solely by the WIB in its discretion.

A handwritten signature in black ink, appearing to read "F. Neely". The signature is fluid and cursive, with the first letter of the first name being a large, stylized capital "F".
