Introduction & Background

The Workforce Investment Board of Southwest Missouri (WIB) is in need of a local training provider to provide **introductory training related to highway, road, and bridge construction (including OSHA 10, CPR/First Aid, CDL, and training on tools, equipment, and flagging) for up to fifteen WIOA jobseeker customers in October/November of 2019**, and is accepting proposals in order to find a qualified source to provide said training. Preference will be given to vendors whose proposals include the training for and assessment on an industry-recognized credential (i.e., NCCER, HBI PACT, MC-3).

The objective of this Request for Proposal is to locate a source that will provide the best overall value to the WIB. While price is a significant factor, other criteria will form the basis of our award decision, as described in the Evaluation Factors section of this Request for Proposal below. Proposals must be received prior to 07/31/19 to be considered.
