The Southwest Region Workforce Investment Board is presenting the following WIOA Operations Plan Modification. The FY20 PBS in the amount of \$107,400.00 (32%) was approved by the Executive Board on April 28, 2020 to meet the customer demands. This modification includes the required labor market demands that demonstrate the intensity for Adult services to surpass those of the Dislocated Worker Program.

This modification is a replacement of the \$189,000.00 transfer request that was approved on March 17, 2020 due to Covid-19 and the increased demands of the Dislocated Worker Program.

Respectfully Submitted,
